"Changing America: The Emancipation Proclamation, 1863 and the March on Washington, 1963" is presented by the Smithsonian's National Museum of African American History and Culture and the National Museum of American History in collaboration with the American Library Association Public Programs Office. The exhibition is made possible by the National Endowment for the Humanities (NEH) and is part of NEH's *Bridging Cultures* initiative, "Created Equal: America's Civil Rights Struggle," which brings four outstanding films on the civil rights movement to communities across the United States (see <http://createdequal.neh.gov>). "Created Equal" encourages communities across the country to revisit and reflect on the long history of civil rights in America.

The Avon Library is the **first** East Coast stop for the national tour of this exhibit. We are the **only library in CT** selected to host this special exhibit. Learn the story of Civil Rights in America from **November 1, 2014—December 16, 2014**.
